

# ASHINGTON FOLK CLUB

July 2005

## Less Is More

July was our quietest month for a while with only 13 performers. But it did mean those that were there got more time each... which is the subject of Survey Number 3.

Spotlight this month was Peter Murphy who gave a professional performance of traditional and contemporary material. Peter will be leaving the area for pastures new – he'll be missed. Let's hope he pops in for a song or two whenever he's back in the North East.
