

ASHINGTON FOLK CLUB

October 2006

Wow! Pipers Two

jiva were on holiday and so missed the first

Club night this month. We have no record of who turned up this month to play. Our thanks go to Old English for 'running' the acoustic night which was held in the Folk Bar.

It's always good to see new performers and this month saw the return to the Club, after some years away, of Geoff Pickard. We hope he becomes one of our regulars. And there was new audience too!

In the Spotlight was piper Ann Sessoms who brought with her fellow piper and fiddler Paul Knox. They gave us a great mix of lovely airs, jigs and hornpipes – wonderful! Many thanks to Ann and Paul for a great night's entertainment which was enjoyed by all.

Unplugged?

Following on from comments received after this month's acoustic night, we are considering having more of these in the Folk Bar. Let us know what you think of this idea.

Guests For 2007

Brian Willoughby and Cathryn Craig have been booked for 17th May. Many of you may know Brian through the Strawbs.

On 15th November premier UK singer/songwriter Allan Taylor will make a welcome return visit.
